Our Religious Column.

CAUCASIAN THEOLOGY

"Blessed are the pure in heart, for they shall see God, " is the language o Jesus. And the scriptures elsewhere say: 'Man looketh on the outward appearance, but the Lord looketh on the beart." In this concise manner the Bible points out the difference between God and man, as readers of our character. If christianity consisted in outward show and ostentation, Mahomedanism and Paganism would overwhelm it, being preferable as human pageants of man's folly; but since it consists in a heart void of offense toward God and man, it stands unrivaled, being sustained against all human machinations by the power of God. But let those who imagine themselves pure, remember their conduct is the mirror of their hearts, and that purity of soul necessarily carries with it, purity of life.

-Two new secret societies are spread ing rapidly over the country. The one is politico-religious, and assumes the name of "American Protestant Association," Its existence ought to be deplored by every protestant Christian. It will lead to no good, and much harm to the cause HARDWARE, IRON, STEEL, &C. of religion, as all these vile secret political societies result. The other one purports to be the "American Reform Par ty, " also opposed to Popery, and receiving infidels and Jews as members. No BUCK & WRIGHT reforms can be made in this secret society. business, either religious or political. If Christians consult the best interests of Christ's Church, they will let both se-

Nyphilis or Venereal and Mercurial Discass are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long-continued use of this medicine will cure the complaint. Leucorrhea or Whites, Uterine Uterations, and Female Discass, are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute directions for each case are found in our Almanac, supplied graits. Rheumatism and Gout, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also Liver Complaints, Torpidity, Congestions of Inflammation of the Liver, and Jaundier, when arising, as they often do, from the rankling poisons in the blood. This SARSA-P 1RILLA is a great restorer for the strength and vigor of the system. Those who are Languid and Listless, Despondent, Steepless, and troubled with Nervous Apprehensions or Fears, or any of the affections symptomatic of Weakness, will find immediate relief and convincing evidence of its restorative power upon trial.
